Dear Parents and Carers

We are writing to you in response to the recent Referendum, following which 52% of voters chose to vote to leave the European Union.

Unfortunately, in the wake of the Referendum result, over the last week we have noted that there have been cases of abuse and intolerance by a small minority directed at sections of our communities, both here in London and across the wider UK.

Our message in response to these is simple: any such abuse and intolerance is totally unacceptable. It has no place here in the UK in general, and at Chapel End Infants School and Early Years Centre in particular. Should any instances arise here at Chapel End, and we do not expect them to, we will deal with them immediately and in the strongest possible way.

We are proud to be responsible for an incredibly diverse school where children, whatever their background, come and learn in a safe and caring environment - and we are proud to serve a local community of which you, as parent and carer, are a part.

Should you have any concerns or questions, please do not hesitate to speak to us at school or by email at school@chapelend-inf.waltham.sch.uk marked FAO Headteacher/Chair of Governors.

Yours faithfully

Terri Martin
