

The Governors and Staff of Chapel End Infant School have agreed the following School Aims and Vision Statement:-

THE VISION

To be a learning organisation which offers inclusive support and opportunities to children, families, staff, Governors and the wider community. By working together we will provide quality experiences in a stimulating environment that will enhance learning and development for all.

SCHOOL AIMS

These aims are realised within a multicultural context, where all children, irrespective of gender, race, religion or disability are treated fairly and equally.

- 1. To provide a broad and balanced curriculum that promotes the fulfilment of each child's academic, creative and physical potential and fosters their social, moral and spiritual values.*
- 2. To promote active learning that encourages the children to observe, question and be interested in the world around them.*
- 3. To teach children to be organised, confident, persistent and to get along.*
- 4. To ensure that each child receives equal entitlement to the full range of learning opportunities.*
- 5. To develop positive partnerships between home and school.*
