## Message from the Headteacher

Dear Parents / Carers,

Thank you to all the Parents / Carers who were able to attend the parents' evenings this week. I hope that spreading this across two days at different times gave most of you the opportunity to attend and that you found them worthwhile. These meetings are an important aspect of the home-school partnership. If you were not able to attend, please speak to your child's teacher so that a meeting can be arranged at a mutually convenient time.

The book fair was a wonderful success, as always the children enjoyed looking through the books and choosing the most magical one for them.

Today we said a sad goodbye to Mr Eric Peart who has been a part of our school for over ten years. I am sure you will all join me in wishing Eric the best of luck in his new venture.

Mrs T Martin  
Headteacher

## Year 2 Learning

Science Lesson – This week we asked different types of scientific questions. Some that can be answered immediately, some that need observation and some that might need a test. Our experiment was to put honey, sugary water and plain water outside to see which mini-beasts we might attract. We looked at life-cycles of different creatures and then created a food chain to see how it all might fit together in a habitat.

## Red Nose Day

We will be taking part in raising funds for RED NOSE Day on 24<sup>th</sup> March 2017. Children are invited to wear red clothes to school on this day and make a donation to this worthy cause. The children will take part in fun activities during the afternoon and will be finding out about some of the causes supported by this event.

Friday 24 March

## Reception Easter Egg Hunts

Reception children's Easter Egg Hunt is taking place on 30<sup>th</sup> March 2017 from 3.45pm till 4.15pm. Tickets will be on sale from Monday 20<sup>th</sup> March from both sites.

We require parent helpers, please let us know if you can spare some time to help out.

**Tickets are priced at  
£3 per child**

## School Attendance

Please remember to inform the school office in good time and preferably before or on the morning if you need to collect your child early from school for appointments. We ask when possible to make the appointment after school or towards the end of the school day. When reasonable, children are expected to come in before appointments and return to school after appointments. If you have an appointment letter or card, please bring this to the office where a copy can be placed on your child's attendance record explaining the absence.

**Thank you for your support.**
