## The Aliens have landed!

Year 1 were surprised this week when they found that an alien spaceship had crash landed in the courtyard! There were footprints and lots of strange materials to investigate. The children have enjoyed being reporters, talking about the incident and investigating the materials. It has proved to be a wonderful stimulus for speaking and writing.

## Pirate Dressing Up Day

There was a pirate invasion in Year 2 on Monday. We kicked off our new topic, Land Ahoy, with a bang by having a pirate dressing up day. What a lot of fun we had! We did pirate maths by counting treasure using tens and ones. We learned pirate words and sang sea shanties. In the afternoon we imagined what our treasure would be and then drew a map to show where we've hidden it. The maps were painted with coffee to make them look old. What clever pirates we are!

## Message for nursery parents

Please be aware that nursery starts for morning children at 8:45am and they must be collected at the end of the session at 11:40am.

Afternoon children start at 12:45pm and they must be collected at the end of the session at 15:40pm. Recently parents have been dropping off and collecting their children much later than the set times. It is important to bring children into nursery on time. Parents with siblings in other parts of the school must bring their children into nursery **first** as they start earlier.

Thank you for your co-operation.

Please note Nursery **library loan service** will be starting next week Wednesday.

## ParentComms

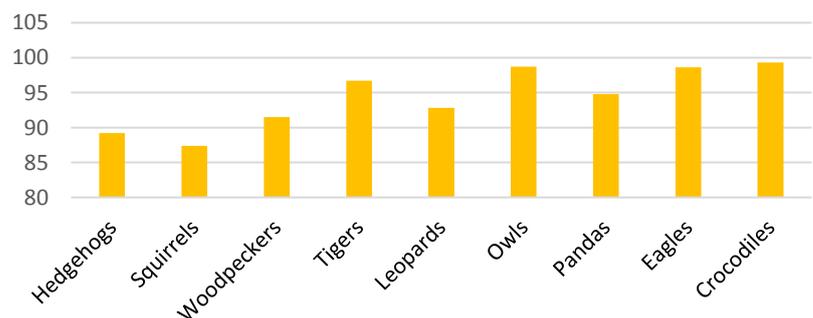

This year we will be moving to ParentComms as one of our ways of communicating to Parents, Carers & Staff. By downloading this free app you will be able to stay connected with our school and receive important messages, alerts and reminders straight to your phone or devices.

We ask that all parents / carers download this app so you are ready to receive our messages as we will no longer be using SchoolComms.

## School Attendance & Other Information

Well done Crocodiles Class for having the best attendance this week!

### Polite Requests

When dropping off / collecting your child from the EYC, please drive down to the car park and do not stop on the driveway.

Parents of Junior children, can you kindly remind your children that they must not play football in the infant playground.

Thank you for your support in these matters.
