## Chapel End News—Autumn Term —15th September 2017 - Issue 2

Dear Parents / Carers,

This week our Reception and Nursery children started at the Early Years Centre. I am happy to report that they are settling in well and enjoying making new friends.

As mentioned last week, please remember that regular and punctual attendance helps children to settle into school life and supports the establishing of friendship groups and good habits. Attendance is monitored daily, if your child is unable to come to school or nursery please ensure that you call the school office to inform us of the reason. Where possible please make appointments at the end of the school day or after school.

Thank you to the Year 1 & 2 parents and carers who were able to attend the respective meetings on Monday and Friday. Information shared at these meetings will be given out next week. I hope you found these meetings useful and informative.

*Thank you for your continued support.*

It is with great sadness that I have to inform you that Mrs Jacobs who worked with many of our children over the last few years, passed away in the holidays. Our thoughts are with her family and friends at this sad time.

Thank you.

Children swim for free in Waltham Forest Borough, residents under the age of 18 can swim for free at any time, at all Waltham Forest leisure centres. To take advantage of this offer visit your local leisure centre and register for just £1. Please note that any accompanying adults pay the usual fee.

### ParentPay

As we are now a cashless school all payments for breakfast & teatime clubs and school trips will need to be made via Parentpay.

Activation letters for our new reception parents will be sent our next week.

Any queries regarding Parentpay, please contact the school office.

### Morning Time

The new Reception children have settled really well into their new classes. We want them to continue to develop their independence and confidence. To support this, from Monday 18th September, please could you say goodbye to your child at the door and let them come into class by themselves.

### Outside play area in Reception

For Health and Safety reasons please do not allow your child to play on the climbing frame when you bring them to school and pick them up.

Thank you for your support with this.

### Green Open Homes Weekend

16th & 17th September
