

# Chapel End Infant School & Early Years Centre Newsletter 16th March 2018 Spring Term — Issue 22

## Year 2, Winter Olympics—Peter May Centre

To celebrate the sporting values of the Olympic movement and the winter Olympics in Pyeongchang, such as teamwork, determination and honesty, a Winter Olympic Festival was held on 9th March. 15 Year 2 children attended and took part in a variety of Winter Olympic themed events such as cross country ski-ing, freestyle, ice hockey, curling, long jump and slalom.

Unfortunately, there was no snow, ice or skis involved but the

children all had a great deal of fun enjoying games based on these events.

They put all the Olympic values into practice while improving their fitness by increasing their daily activity. Since then, some of the truly enjoyable games have also been used in the playground to further enrich the activities available.

## Healthy Packed Lunches

A reminder that we are a healthy eating school and appreciate your help in promoting this. You will have received an information leaflet with suggestions for healthy packed lunches and this is being sent with this newsletter as a reminder. Lunch should not be made up of only crisps, biscuits and chocolate. This will not

be providing your child with adequate nutrition and is much too high in fat and sugar. School meals are free for all Infant children so why not take advantage of the variety and choice available for the children.

Please do not hesitate to contact the school office if you have any concerns about your child's packed lunches or to get any healthy food suggestions.

In addition, please **do not** send your child into school with chewing gum, this is not allowed!

## Nursery Parents

The nursery start times are 8.45 morning session and 12.45 afternoon session, please ensure you are on time. If you have an older sibling, please drop your nursery child off first before taking your older child to school.

### Year 2 News

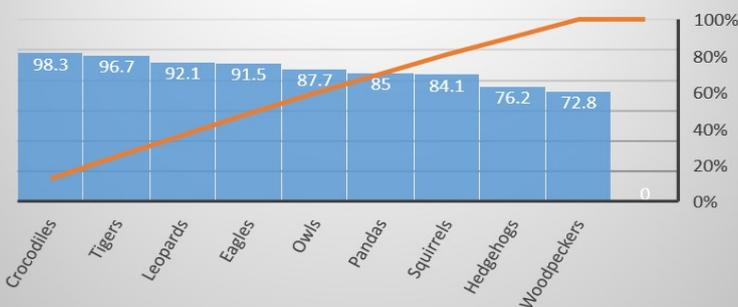

We made ice-cream this week! What a magical mixture that was!

We couldn't believe it when the milk turned into ice-cream in front of our eyes. The salt was the magical ingredient that changed the temperature of the ice so it would freeze the milk.

Wow! Isn't science fun!

### Edinburgh Primary School—Easter Holiday Club

Working in partnership with 'Play 5 a side' Edinburgh Primary School are offering a Easter holiday club, offering sports and other play opportunities. This will take place during the second week of the Easter holidays, week beginning 9th April, for children of primary school age. They hope that this will help working parents with childcare and will provide a fun, stimulating environment for children. All children are welcome. Children can be booked in for the whole week or for single days. The standard cost is £25 per day (9am – 3.30pm) and £35 for an extended day (8am – 5pm) but discounts for multiple bookings and siblings are available. Please go to <http://www.playfiveaside.com/walthamstow-kids-holiday-club> for further details.

**Please note that Edinburgh Primary School office is NOT taking bookings – this needs to be arranged through 'Play 5 a side'**
