Spring Term | 2nd February 2018 - Issue 18

Year 2

What great artists we are! This week the children were asked to draw the Cutty Sark from studying a range of images, looking carefully at shape and form. They were given the choice of working with a range of drawing materials and worked step by step to improve their picture. How fantastic these look!

Messages

- Can all parents please check their parent pay accounts and clear all debts.
- Due dates have now passed for payments on all after school clubs. Please make sure you pay this as soon as possible. If you fail to pay for your child's after school club(s), unfortunately they will not be able to attend next term.
- Please note that if your child changes from school dinners to packed lunch you must let the school office know.
- There are spaces for **Reception** children in **Multi Sports Club** after school on Tuesdays. If you would like your child to attend please ask the school office.
- Please make any dentist or doctors' appointments outside of school hours whenever possible. If they need to be made during school hours, please let the school office know beforehand.

Reception Super Sentence Books

Next week reception children will be starting their **super sentences!** A super sentence will be a sentence they will be working on all week in class. Every child will be given a super sentence book and will be bringing it home on Fridays with their super sentence inside. We would like for children to work on their sentences at home with their super sentence book. Inside the front cover of your child's book you will see some guidance on how to use the sentence and book and what you can do to help. If you have any questions, please ask your child's class teacher.

Year 1 & 2 Movie Evening

On Thursday 1st February, YR1 and YR2 children came together in their pyjamas and onesies to watch the movie **SING** in the school hall. Everyone had a fantastic time eating pizza and other snacks whilst watching the film. Well done to all the children for being so well behaved.

We would like to thank all the parents who volunteered to help out at our movie evening. Our school events would not be this successful without all your help. We have managed to raise £186.72!

Year 1

The Moon Zoom theme continues in Year One. This week we have learnt about famous astronauts from around the world and found out what they do up in space. The children have also had fun observing 'rockets' as we launched them up into the air. In addition, they investigated balloon powered rockets, making predictions and testing which one would travel the furthest distance and which one the shortest distance.

Dates for your diary

February

- 7 – School nurse 9am-10am
- 7 – Year 2 visit to The Cutty Sark
- 9 – **Last day of half term**
