Contextual Information

There were 89 children in this cohort, 45 girls and 44 boys.

18 pupils (20%) were registered as having special educational needs (SEN), including 2 children with EHC Plans and 1 child with a statement of SEN. This is approximately twice as many children as in other years.

35% of pupils were eligible for pupil premium funding. 18% of pupils were eligible for free school meals. 61 % children have English as an additional language.

National and LA data is taken from the School Information Dashboard (SID) and Inspection Data Summary Report (ISDR) 2017.
