School Attendance Summer Term 5

Attendance 18th - 21st April 2017

Well done to Leopards class for the highest attendance class this week.

Please remember to inform the school office in good time and preferably before or on the morning if you need to collect your child early from school for appointments. We ask when possible to make the appointment after school or towards the end of the school day. When reasonable, children are expected to return to school after appointments. If you have an appointment letter or card, please bring this to the office where a copy can be placed on your child's attendance record explaining the absence.
