## Year 2 – Captain James Cook

This week in year 2, the children have been finding out about a famous explorer Captain James Cook. The children were given the opportunity to talk about and look at all the places he discovered and named.

Year 2 were very surprised to find out how sailing across the world in the past was a harsh and sometimes dangerous journey!

What a fascinating time we had!

## Year 2 parents

Please look out for a letter in your child's book bag regarding the school visit to **The Cutty Sark & National Maritime Museum** on **Wednesday 7 February**. It is important that all signed permission slips are given to the class teacher by **Wednesday 31 January**. Please note if you would like a school packed lunch for your child, you must bring back your permission slip indicating this **on time** as the Kitchen staff may not be able to supply a packed lunch for your child at short notice. Also, all payments must be made through your ParentPay account or by PayPoint using the barcode on the bottom of your letter. Thank you for your ongoing co-operation.

## Tri-Golf Competition

Last Friday 20 children from Chapel End attended the Waltham Forest School Sports Network Golf competition. It was great fun and the children enjoyed competing in golf games such as Domino Rally and Three in a Row. The children enjoyed it so much that they want to go to more sporting events and some even dreamed about it! When one was asked what they enjoyed they enthusiastically said, "Everything!" We don't know if we have won a medal or not as the competition is ongoing but, as they say in The Olympics:

*"The most important thing is not to win but to take part. Just as the most important thing in life is not the triumph but the struggle."*
