Summer Term | 27th March 2018 - Issue 26

Woodpeckers sharing assembly

On Friday Woodpeckers shared with us what they had been learning. They spoke about the topic 'growth and change' and how they could see this in the story of the hungry caterpillar. They also spoke about the observations they made watching a plant grow from a seed. Well done Woodpeckers class!

Can parents please make sure that they are driving at **20mph** when picking up their children from school. It is dangerous and illegal to drive over the speed limit. Lots of children are walking out from school and this can put their lives at risk. Thank you for your co-operation.

There are still spaces available in multi sports after school club (on Tuesdays) for reception children only. If you are interested, please contact the school office. Thank you.

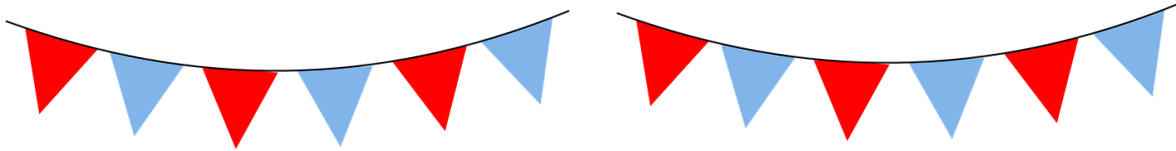

Special Visitor

Kent Teague came into school to speak to year 1 and 2 children. He is an ex Microsoft executive and the current owner and vice president of Leyton Orient. He had a talk with the children about football. The children also had the opportunity to ask questions about the difference between America and England. Thank you to Kent Teague for visiting Chapel End.

Tea with the 'Queen'

After receiving a very special invitation last week, Year 1 were extremely excited about having afternoon tea on Wednesday with the Queen! Year 1 prepared jam sandwiches and cakes, they also dressed in their most formal attire for her arrival. They had a lovely time and the Queen was so impressed by the year 1 classes she said she may just come back again next year!

Dates for your diary

May

- 7 – Bank holiday school closed
- 11 – Squirrels sharing assembly
- 14 – Reception classes visit to Paradise Wildlife Park
- 21-24 – Walk to school week
- 24 – Last day of term school closes 3:25pm
