Autumn Term | 28<sup>th</sup> September 2018 - Issue 4

## Head teacher's message

This morning we enjoyed our MacMillan Coffee morning in the Early Years Centre. It was wonderful that so many of you were able to attend.

**We raised £162!**

Thank you for all your kind donations!

Year 2 attended a Sports Leaders programme on Thursday in the Peter May sports centre. Year 5 & 6 children from different schools around the borough set up many sporting activities and became teachers for the Infant children! It was a great day!

Work on our library project is ongoing and the children have worked hard to create artwork of their favourite book covers and authors to decorate the library windows. Using the money raised last year by the PTA, we have been able to purchase some furnishings to make our library a really purposeful and cosy space for the children to develop a love of stories and books. We are aiming to have the library ready to go after half term. I will keep you updated.

Thursday 4<sup>th</sup> October will be our first Parent's evening for this term, with the second evening on Thursday 11<sup>th</sup> October. Please remember to sign up for an appointment with your class teacher. We will be sharing a parent survey with you on parents evening, to give you the opportunity to share your view of our school, please take the time to complete this as your view is important to us.

I hope you all have an enjoyable weekend.

Janice Chaplin

### Important notices

- Please ensure you call the school office before 9.30am if your child will not be present in school or nursery that day.
- If your child would like packed lunch instead of school dinners, please let the office know so we do not order a school lunch for your child. Their choice for lunch must be permanent and cannot change daily or weekly.
- Children have access to water in school and are only allowed to drink water during the day. Juice is not allowed in school or packed lunches.

### Start of day

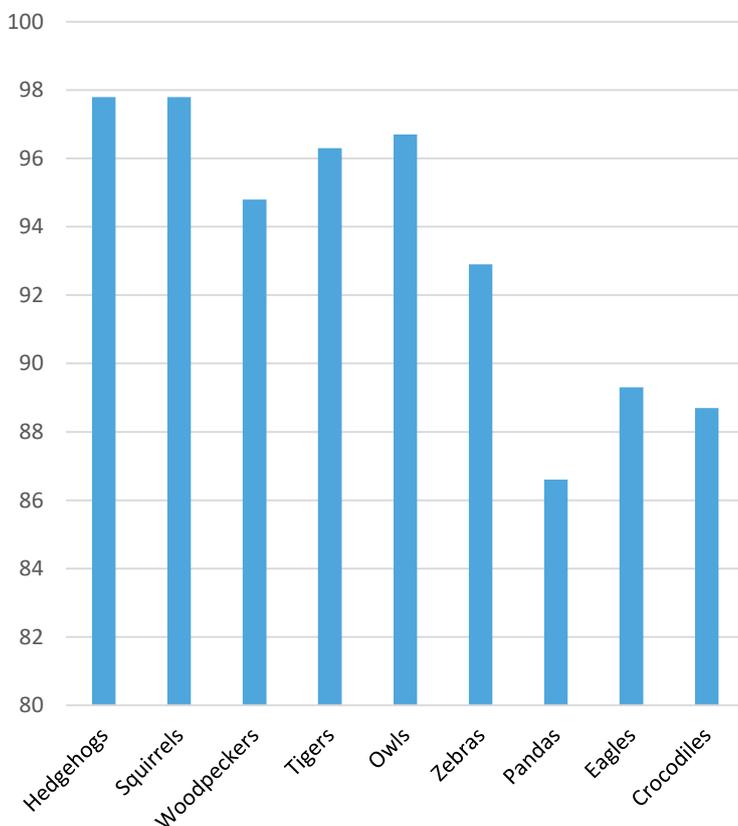

- A reminder that it is a requirement of the school that all parents escort their children directly to the classroom in the mornings and personally handover their child to the class teacher.
- Please remember that if you arrive at school after 9.00am you are late and must go directly to the office to ensure your child is registered.

### Road Safety

- The safety of our pupils is paramount and I urge all parents who have to drive to school to slow down. If you must drive to school, then please take care. Remember that you must not park on the zig zag markings outside the school. Wherever possible, please walk to school.

## Attendance

**Well done Hedgehogs & Squirrels class for best attendance this week!**

## Dates for your diary
