Spring Term | 3rd March 2017

Message from the Headteacher

Dear Parents / Carers,

It was great to see so many Ladies enjoying a school day with the children on our Ladies Day. Over 100 ladies joined us during the day! Due to the success and positive feedback we will ensure that this event is in place in our school calendar for next year. Comments included: *'Had a great time and enjoyed everything with children, and teachers.'* *'Have had a lovely day this year too! I was enjoying doing craft activities and playing outside with the children. Thank you for the moments.'* *'Had a great time today with the children. Very well organised and children are having fun.'* Thank you for your time and your feedback. We hope to see many Gentleman in school on our Family Man Day, which takes place on 8th June 2017.

This week, sadly, we said goodbye to Miss Meenaz who has worked with us for a number of years, most recently in Nursery and in Woodpeckers class. She is moving to another part of the country and we wish her all the best for the future.

Mrs T Martin

World Book Day

It was great to see so many members of staff and children taking part in world book day this year. The costumes were very imaginative

and the wonderful effort made by everyone was recognised all around the school.

The children took part in lots of activities involving Literacy, Numeracy, Art and Science, inspired by our favourite books.

Please remember to visit the book fair that arrives on 8th March. All children have received a book fair money envelope.

Sainsbury Active Kids Vouchers

Many thanks to all of you who are collecting Sainsbury's vouchers for sports and cooking equipment for the school. It really does make a significant contribution to school resources so please keep bringing them in. If you have relatives that also shop in Sainsbury's please encourage them to collect the vouchers

Parent Pay

From the start of the spring term April 2017, you will be able to pay for all after school clubs, ad hoc Teatime and breakfast club fees using Parent Pay.

If you need any assistance on setting up your Parent Pay account, please inform the school office so we can send you an activation letter.

We are hoping that you will all welcome this move to charge all items to Parent Pay and that this will be a more convenient way of paying for school items.

Tri Golf Competition

On Monday 27th February, children from Year 1 and 2 participated in Waltham Forest School Sports Tri-Golf Competition at Hillyfields School.

This was just one of the heats so we are not sure of the overall winner as yet but all children received a certificate and did a super job at representing our school whilst having a lot of fun in the process.

This brings the total number of different children attending sporting competitions this year to 82!

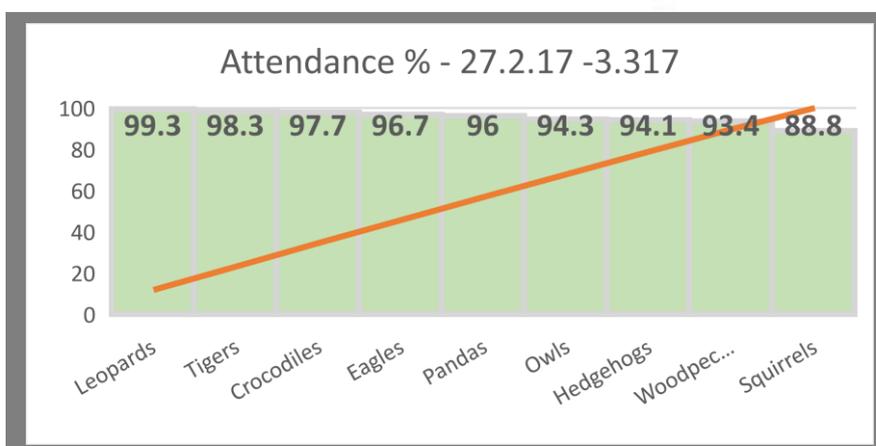

There will be more opportunities later in the year for children to represent the school in sports activities.

Ladies Day

This was a great opportunity for all female family members to join in a school day with the children. We were joined by mum's, aunties, older sisters and grandmothers! Lots of activities took place during the day, such as sharing favourite books and creating wonderful art work, including making superhero underpants and mini-beast cards.

Attendance Headline

Please remember to inform the school office in good time and preferably before or on the morning if you need to collect your child early from school for appointments. We ask when possible to make the appointment after school or towards the end of the school day. When reasonable, children are expected to return to school after appointments. If you have an appointment letter or card, please bring this to the office where a copy can be placed on your child's attendance record explaining the absence.

Thank you for your support.
