Chapel End News—Autumn Term —8th September 2017 - Issue 1

## Welcome Back to the start of a new academic year

Dear Parents / Carers,

A Warm welcome back to school to all children and families. This week **Year 1 & Year 2** have been settling back into school life in their new classrooms, meeting their new teacher and having an enjoyable first week with their friends.

On **Monday 11th September** we will be welcoming our new **Reception and Nursery** children. This is a fun and exciting time and we look forward to getting to know your children.

We welcome two new members of staff, *Ms Gemma and Ms Cottle* who are both working in our EYC.

Please remember that regular and punctual attendance help children to settle into school life and support the establishing of friendship groups and good habits. Attendance is monitored daily, if your child is unable to come to school or nursery please ensure that you call the school office to inform us of the reason. Where possible please make appointments at the end of the school day or after school.

We are expecting the area surrounding area the school to become a *controlled parking zone*, once we receive notification of when this will commence we will notify you. Unfortunately, when the controlled parking is in place we will no longer be able to offer access to the school car park to parents.

Please remember to visit our school website, you will find useful information about our school and your child's learning. This is updated weekly and we welcome your feedback. We have many ways of communicating with parents and carers, therefore it is important that you let us know if you have changed your email address, telephone numbers or postal address.

We look forward to working with you and your children in the coming year.

**Mrs T Martin**  
**Headteacher**

A phonics based programme can be confusing for parents who didn't learn with one themselves; therefore, we are providing you with a link to a website where you can access free videos to help you understand how your child will learn to read in school and what you can do to help. Please use the link below:
