I've got a Body, a Very Busy Body,
And it goes everywhere with me;
And on that body I've got a nose
And it goes everywhere with me.
And I sniff sniff here, sniff sniff there,
Sniff, sniff, sniff, sniff everywhere.

I've got a body, a very busy body
And it goes everywhere with me...

And on that body I've got some hands
And they go everywhere with me.
And I clap clap here, Clap clap there,
Clap clap clap clap everywhere.
Sniff sniff here, Sniff sniff there,
Sniff sniff sniff sniff everywhere.

I've got a body, a very busy body
And it goes everywhere with me
And on that body I've got some feet
And they go everywhere with me.
And I stamp stamp here, Stamp stamp there,
Stamp stamp stamp stamp everywhere.
Clap clap here...
Sniff sniff here...

I've got a body, a very busy body
And it goes everywhere with me

It's Time to Wiggle

It's time to wiggle your hands,
It's time to wiggle your hands,
It's time to wiggle your hands,
Now it's time to stand.

It's time to tickle your toes,
It's time to tickle your toes,
It's time to tickle your toes,
Then reach up and touch your nose.

It's time to stamp your feet,
It's time to stamp your feet,
It's time to stamp your feet,
Then sit down in your seat!

(sung to the tune of The Farmer in his Den)

If you're happy and you know it
clap your hands, - clap clap
If you're happy and you know it
clap your hands, - clap clap
If you're happy and you know it
and you really want to show it,
If you're happy and you know it
clap your hands - clap clap

Repeat with:

If you're sad - say boo hoo
If you're angry - stamp your feet
If you're sleepy - give a yawn
If you're funny - make a face
If you're scared - cover your eyes

and make up your own!

(tap head as if to think hard)
One went to sleep,
(pretend to sleep)
And then there were two
(put one finger away)

Two little bunnies went to have some fun,
(two fingers jump up and down)
One hopped down a hole,
